

Santa Barbara CAER Meeting Minutes 1/28/04

Current Issues and Announcements:

- First meeting of the year – great turnout!
- Disaster volunteer courses with American Cross are available now – Heroes for the Amer. Red Cross, new Volunteer fund raiser. See Roy Dugger of the Amer. Red Cross for details
- Changes for 2004 bi-monthly meetings have started for 2004. This is not set in stone, but will run on a trial basis for the beginning part of 2004.
- IMA members will be meeting for a breakfast meeting once per month.
- As an action item for 2004 the CAER Exec. Committee will revise the Industrial Mutual Aid Plan
- ASIS group – we are looking into networking with this organization (a lot like CAER, security version)
- CAER and ASIS will be sharing invitations to each other's meetings and possibly looking into having meetings on alternating months
- Possible future topics for 2004: DOT/Security plans with a joint ASIS/CAER meeting. Will look into private company (JJ KELER) to present this topic
- Will start conducting a monthly radio check of all Mutual Aid radios – day and times to be announced
- Any updates to the Mutual Aid contact list will be done by Tod Matz, CAER Vice Chair – update this list by honor system only
- Table top exercise will be in April – mutual aid will be a strong component in this
- CAER reporting form will now reside on the CAER website. This form was previously found on the CUPA website – will have a link from CAER to CUPA website as well.
- Formulated a contractor list from a few member of CAER who have used vendors that were a pleasure to work with. Rosalie Skefich Rosalie@custom-env.com of Custom Environmental is conducting the organization of this list. Please send Rosalie any name of a contractor/vendor who went above and beyond your safety and work expectations.
