

Santa Barbara CAER Meeting Minutes 7/27/05

Current Issues and Announcements:

- Meeting held at DuPont Displays
- Postal Screening devices, BDS, Biohazard Detection System discussed by the US post office
 - Only detecting Anthrax for now, will be able to detect Small Pox, ect down the road
 - Post Office will hold an exercise for this next month
 - CAER will assist post office in any way able.
 - Fire Department has already been trained on this.

Next Month's meeting - Next CAER meeting will be held at the American Red Cross (2707 State Street, Santa Barbara, CA 93105 805-687-1331) Meeting topic will be the table top drill for Incident Command System. Meeting will be held from noon to 4:00 (lunch provided).

July Meeting Topic - Standardized Emergency Management Systems (SEMS)

Serves as a primer for tabletop exercise in August. If members plan on attending the August Drill, this briefing will be helpful & informative. Certificates of Incident Command System Certified Training by the State of California will be issued to all members to participate. The July meeting information is useful in itself even if you do not plan on attending the August meeting.

Guest speaker - Jim hunt (Hunt Research Corp)
