

CAER

Santa Barbara County Community Awareness & Emergency Response

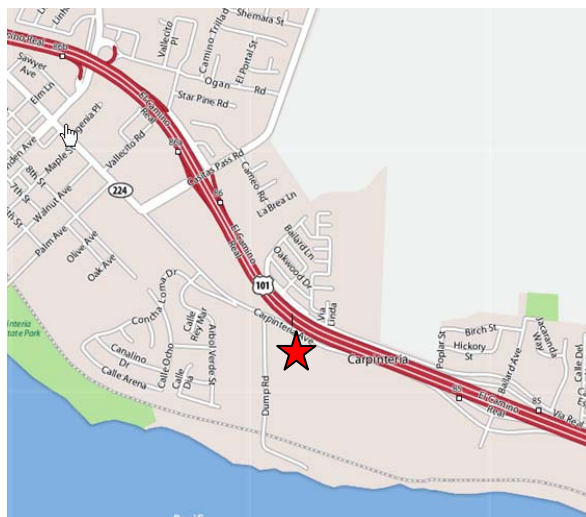

**Free Emergency Planning Presentation
Sheltering In Place: Preplanning & Lessons Learned from Recent Local Fires**

Wednesday 4/28/10 2-4pm @ Carpinteria City Hall, 5775 Carpinteria Ave.

Speaker: Tom Bauer, Director of Public Safety, Westmont College

In case of a wildfire or release of an airborne toxic substance, would you send your employees home? Would you wait? What other considerations should you make beforehand? What considerations might you want to make if you were at home? Come hear and see how Westmont College has been preparing for such an event, and what they've learned from their preparations and the actual fires.

Please contact Craig Fry at 690-6654 or cfry@flir.com with any questions.
