

Santa Barbara County CAER

Community Awareness & Emergency Response

2008 INVOICE - Annual Santa Barbara County CAER Dues

Dear Neighbor:

This is your invoice for your annual membership dues. Your financial support of Santa Barbara County CAER and its programs is an important part of the partnership between private industry, local government and the public sector, in ensuring the highest level of emergency preparedness for this community. Please use the guidelines below in determining your annual Santa Barbara County CAER membership dues.

Organizations that do not, or can not pay dues are still encouraged to participate in CAER, with the understanding that they do not hold voting privileges.

If you have any questions about your dues or membership, please contact Craig Fry at FLIR Systems: Craig.Fry@flir.com

Your continued membership in Santa Barbara County CAER is greatly appreciated. The 2008 Santa Barbara County CAER membership dues are as follows:

- \$50 = 50 employees or less
- \$100 = 51-100 employees
- \$200 = Greater than 100 employees
- \$50 = Government agencies with direct hazardous materials concerns
- \$50 = Consultants, vendors, etc.
- \$50 = Community organizations with direct hazardous materials concerns

Please return the 2008 Santa Barbara County CAER membership form, with your dues **before 29 Feb 2008** to:

Santa Barbara County CAER
P.O. Box 8641
Goleta, CA 93118
<http://www.sbcaer.org>

Thank you!

Santa Barbara County CAER Organization

No person or entity shall use the Santa Barbara County CAER name, logo, intellectual property and/or membership information for personal use or gain. The name Santa Barbara County CAER, logo, website and intellectual property are for the exclusive use of the association. Santa Barbara County CAER

Community Awareness & Emergency Response

Santa Barbara County CAER Membership Application

"A Public Commitment"

To operate our plants and facilities in a manner that protects from "all risks" the health and safety of our employees, the public, and the environment.

To recognize and respond to community concerns about all apparent hazards associated with our operations.

To ensure that all chemical emergencies are handled in a responsible safe way and that all hazardous materials are disposed of in an environmentally responsible manner.

To participate with government and others in creating responsible laws, regulations, and standards to safeguard the community, workplace and the environment.

To share experiences, offer assistance and support planning with others who respond to regional emergencies and disasters that affect our community.
